OVERNIGHT LASH

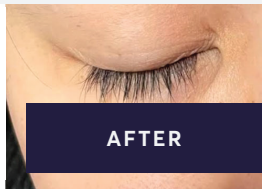

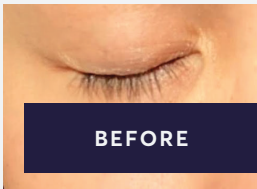

Hey Sleeping Beauty.

Overnight Lash Serum contains growth factors and polybotanicals that have been chosen for their scientific ability to awaken dormant hair follicles. Naturally derived from plants, polybotanicals are the perfect choice to come alongside our powerful growth factors to wake up sleepy lashes.

Overnight Lash Serum contains natural stem cell growth factors to enhance the fullness and thickness of your lashes. These biosignals are the key to re-awakening your sleeping hair follicles and encouraging fuller, more natural lashes.

GIVE YOUR LASHES A BOOST WITH OVERNIGHT LASH SERUM & REVEAL STRIKING EYES WITHOUT THE NEED FOR MAKEUP.

HYALURONIC ACID

Natural humectant that balances moisture in skin and hair follicles.

HAIR GROWTH FACTORS

Our 12 hair growth factors stimulate hair growth by inducing the anagen phase in resting hair follicles.

CARNITINE

Stimulates hair growth by increasing energy supply to the energy-consuming anagen hair process, resulting in an immediate protective effect that allows hair follicles to fight cell death.

VITAMIN E

An antioxidant that protects and conditions lashes while also preventing shedding.
