

## AnteAGE® Resurface

1.69 oz (50 ml)

**AnteAGE Resurface** is a gentle exfoliant to polish and brighten the skin and can be used anywhere including face and sensitive areas. Use as needed to slough away dry and dead skin up to 3 times weekly.

### APPLICATION & USAGE

Apply a small amount of Resurface to skin with fingertips using a circular motion. Rinse thoroughly.

### KEY SELLING POINTS

- Gentle surface exfoliation.
- Helps to brighten the skin.
- Allows better absorption of body lotion.

### KEY INGREDIENTS & FUNCTIONS

#### Polylactic Acid

A natural, biobased polymer made from Lactic Acid. These are fine, spherical mechanical scrubbing particles for gentle exfoliation. Can increase surface skin hydration as well.

#### Sunflower Seed Oil

An Omega 6 rich plant lipid that provides emollience and skin conditioning benefits. Supports the skin barrier and nourishes the skin while exfoliating.

#### Bamboo Stem Powder

A natural, physical exfoliant from finely ground bamboo stems, for gentle skin exfoliation.

#### Sugarcane, Orange and Lemon Fruit Extracts

A natural source of fruit acids and alpha hydroxy acids. Provides gentle and mild surface exfoliation, with brightening properties.

#### Ingredients:

Water (Aqua), Polylactic Acid, Helianthus Annuus (Sunflower) Seed Oil, Glycerin, Cetearyl Alcohol, Cetearyl Oliviate, Sorbitan Oliviate, Bambusa Arundinacea Stem Powder, Oryza Sativa (Rice) Bran Oil, Saccharum Officinarum (Sugar Cane) Extract, Hippophae Rhamnoides (Sea Buckthorn) Seed Oil, Squalane, Camellia Sinensis Leaf Extract, Pyrus Malus (Apple) Fruit Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Citrus Limon (Lemon) Fruit Extract, Polysorbate 60, Polysorbate 80, Xanthan Gum, Phenoxyethanol, Ethylhexylglycerin
