

AnteAGE® Regenzyme

8 oz (240 ml) | All Skin Types, All Ages

AnteAGE® Regenzyme is a multi-tasking, gentle and effective approach to exfoliation. Professional treatments often rely on preparing the skin with surface exfoliants, whether mechanical, chemical or enzymatic. This non-acid blend of powerful botanical enzymes produced through bacterial fermentation, enriched with anti-inflammatory and antioxidant rich ingredients, will soften skin and slough away surface dead skin cells, leaving the skin polished and hydrated.

Designed to be gentle enough for all skin types, it is the perfect companion to all your professional facials and treatments.

APPLICATION & USAGE

After thoroughly cleansing the face, apply a quarter size amount to the skin with a fan brush. It is best to keep enzymes hydrated with steam or a hot towel. Let enzymes sit on skin for 10-12 minutes and remove thoroughly with cool water before proceeding with the next step in your facial.

Regenzyme can be used anywhere on the body for polishing and exfoliation.

KEY SELLING POINTS

- Paraben-Free, Sulfate-Free, Phthalate-Free, Acid-Free.
- Enzymatic exfoliation digests only dead surface skin cells leaving healthy ones intact.
- Great for sensitive skin and Acne Safe.
- Nourishing lipids leave the skin hydrated.
- Perfect for all skin types.
- Can be used multiple times a week.

KEY INGREDIENTS & FUNCTIONS

Pumpkin Enzyme (Lactobacillus/ Pumpkin Fruit Ferment Filtrate)

Potent Pumpkin fruit enzyme helps promote the natural exfoliation process, which aids in fading the appearance of fine lines and softens skin. Rich in Vitamin A.

Pomegranate Enzyme (Lactobacillus/Punica Granatum Fruit Ferment Extract)

Potent Pomegranate fruit enzyme helps promote the natural exfoliation process, which aids in fading the appearance of fine lines and softens skin. Rich in Vitamin C.

Lipase

A lipid digesting enzyme. Lipase cleaves the ester bonds that hold triglycerides together. Highly effective at cutting through oil-rich skin.

**Salix Nigra
(Willow Bark)
Extract**

Botanical that contains natural salicins. Anti-inflammatory, anti-irritant and gently exfoliating. Soothes and calms while maintaining healthy skin ecology.

Bisabolol

An active, isolated terpene-alcohol found in the chamomile plant. This active constituent is known to be a potent anti-inflammatory that soothes sensitive skin, accelerates wound healing, increases hyaluronic acid synthesis, and downregulates the production of pro-inflammatory cytokines such as IL-1a, TNF-a, and LTB4.

Protease

A proteolytic enzyme that cleaves peptide bonds in proteins, softening, digesting, and removing surface dead skin cells. Also dissolves hyaluronidase enzymes, keeping native hyaluronic acid intact.

Astaxanthin

An active, isolated terpene-alcohol found in the chamomile plant. This active constituent is known to be a potent anti-inflammatory that soothes sensitive skin, accelerates wound healing, increases hyaluronic acid synthesis, and downregulates the production of pro-inflammatory cytokines such as IL-1a, TNF-a, and LTB4.

Squalane

A plant-derived lipid that mimics what is naturally produced by the skin. Keeps skin soft, supple and hydrated.

Ingredients:

Water/Aqua, Glycerin, Lactobacillus/Pumpkin Fruit Ferment Filtrate, Squalane, Cetearyl Alcohol, Lactobacillus/Punica Granatum Fruit Ferment Extract, Maltodextrin, Hamamelis Virginiana (Witch Hazel) Water, Glyceryl Stearate Citrate, Salix Nigra (Willow) Bark Extract, Protease, Lipase, Astaxanthin, Ascorbic Acid, Silica, AcetylCysteine, Bisabolol, Corallina Officinalis Extract, Melia Azadirachta Leaf Extract, Melia Azadirachta Flower Extract, Coccinia Indica Fruit Extract, Solanum Melongena (Eggplant) Fruit Extract, Ocimum Sanctum Leaf Extract, Curcuma Longa (Turmeric) Root Extract, Aloe Barbadensis, Flower Extract, Tocopherol, Phytic Acid, Hydroxypropyl Starch Phosphate, Citric Acid, Allyl Caproate, Zingiber officinale (Ginger) Root Oil, Cymbopogon Schoenanthus (Lemongrass) Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Santalum Austrocaledonicum (Sandalwood) Wood Oil, Citrus Grandis (Grapefruit) Peel Oil, Citrus Limon (Lemon) Peel Oil, Cetearyl Glucoside, Sodium Starch Octenylsuccinate, Cyclodextrin, Leuconostoc/Radish Root Ferment Filtrate, Lonicera Japonica (Honeysuckle) Flower Extract, Lonicera Caprifolium (Honeysuckle) Flower Extract, Xanthan Gum, Sodium Carbomer
